

- Information

www.telecomtender.com

نام محصول

کانکتور DDT 2.5C2V

کد محصول

FCCC-CN-147

- Other Details

- Input Cable size: 2.5 mm
- Excellent mechanical and environmental properties
- Excellent electrical conductivity

- Technical Specification

Product Description

Product name DDT Right-Angle for 2.5C2V Cable

Material and Plating

Center contact Phosphor bronze / Gold Plating

Outer contact & Body Brass / tri-metal

Dielectric PTFE

Gasket Silicon Rubber

Electrical Characteristics

Impedance 75Ω

Withstand Voltage 1000VAC rms (1 minute)

Insulation Resistance ≥1000MΩ

Center contact resistance ≤6.0 mΩ

Working voltage 350V max

VSWR ≤1.2

Environmental and Mechanical Specifications

(Durability (matings ≥500 cycles

Operating temperature -40°C +60°C

Schematic Drawing
